

Welcome to Windemere Reservations! There is lots of great features for your community here in the app! Here's how to get started.

Complete your Profile.

- Use the My Account link at the top right and select Profile
- Complete the Contact Information
 - Please note, this profile is for your specific contact information only. You can add other owners like a spouse later in the Settings area. You can also add Renter Accounts for tenants too.
 - Be sure to update your first and last name, especially if the property is in a trust. Adjusting your profile name in Windemere Reservations will NOT affect your property ownership nor title anywhere else.
 - Verify and update your phone and email information.
 - Click Submit to save your changes.
- Account Number: your Walters Management Account Number
- Profile Photo: add a photo to your profile (optional but helpful)

Choose your Settings.

- Use the My Account link at the top right and select Settings.
- Notification Preferences: choose your notification settings for Email, Text, and Push notifications. Click the Update button after each section.
- Household Accounts are used to add any other homeowners like your spouse or partner.
 - Click the Add Household Account and enter the information to send them an invite.
- Renter Accounts are to add tenants to Windemere Reservations so they can receive community updates too.
 - Click the Add Renter Account and enter the information to send them an invite.
 - Renter Accounts are limited access. They cannot view or change any of your homeowner information, but they will receive community notifications and event information.
